TO WHOMSOEVER IT MAY CONCERN

The **Sound Basics- uniquely conceived software based hands on learning course** is a value added course which reinforces the understanding of Financial Accounting concepts of Management students. This course has been offered in our MBA Program. It has substantially improved students understanding and awareness of the content and construct of financial statements with their interpretation. Their uniquely conceived software drills with a clear Practical Orientation have ensured effective learning in optimum time. **We appreciate their efforts and concern** in enhancing the Skill and ability of Management students.
