Dear Ms Chitra,

I am elated at the successful completion of the module on accountancy. I extend you and Sound Basics my heartfelt congratulations for designing such an effective and easy to use module for the officer trainees of the 69th Batch of the Indian Revenue Services. The general feedback from the officer trainees regarding the module is outstanding. The officers have really found it worthwhile and it has helped them a lot in consolidating the learning from our classroom inputs in Accountancy.

I am personally very satisfied with the module as the supervisor for the module. It is extremely relevant and rich content wise and very user friendly.

I wish that NADT continues with the module for the coming batches of Induction Training. I also feel that the module should be adopted by the DTRTIs too for their induction courses.

Warm regards

Yours sincerely,

  
Shri Prakash Dubey
